## featured

Our featured wines will be introducing to you the best regional selection available. Giving you the chance to sip something new and possibly find a new favourite.

### **Paper Mache** Prosecco 2022

On the palate: Dry & light with medium acidity. Crisp & vivacious, bright and fruit forward. A mix of citrus and tropical fruit, along with a touch of honey.

twelve / glass  
forty eight / bottle

### **Ricca Terra** "Daisy Chain" Moscato 2022

Grown in: Riverland SA

On the palate: This unique blend gives the impression the palate will be sweet, however, the surprise is a sophisticated semi-dry finish and flavour-filled wine.

fourteen / glass  
fifty six / bottle

### **Duke's Vineyard** "M2" Chardonnay 2022

Grown in: Great Southern WA

On the palate: lemon lime, fresh papaya, green melon, round rich, juicy, finely balanced palate, mouth-filling, bright mineral acidity, green granny smith apple, crab apple

fourteen / glass  
fifty six / bottle

### **Duke's Vineyard** "Single Vineyard" Cabernet Sauvignon 2021

Grown in: Great Southern WA

On the palate: dark juicy mulberry, black currant, cassis, dark chocolate, black cherry, juicy firm fine, long, chewy tannins, excellent length, touch of bittersweet chocolate on the end

twelve / glass  
forty eight / bottle

## spring seed wine co.

All of these wines are made using grapes from their organically certified vineyard. The Spring Seed Wine labels are unashamedly inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are quite remarkable. They chose three different flower images to adorn each one of their McLaren Vale wines (apart from the sparkling wines) simply because they are quite lovely. The old-fashioned look of the seed packets (and our labels), and the painstaking attention to detail involved in the creation of the original artwork resonates clearly in the traditional, meticulous practices they employ in both vineyard and winemaking.

## lambrook

*"Lambrook wine is about craftsmanship, friendship, family, love, passion and bringing out the best of the Adelaide Hills. Each grape variety comes from a small parcel of fruit, specifically selected for optimum growing potential. Most of our grapes are hand-picked. We use traditional methods like hand plunging and open fermentation. We take the time to make our wines beautiful. There is no compromise. If the fruit is not up to scratch, we won't make the wine. We are hands on every step of the way – we embrace the moments, do the one-percenters and always put the grape first – we are truly proud of our Lambrook wines."*

– Adam and Brook Lampit.

"Spark" Sparkling Pinot Noir

Spark is hand-picked then whole-bunch cold pressed for up to 48 hours. It is a stunning salmon pink that parties on the palate.

# independent craft beer

## all-inn brewing co.

All Inn Brewing Co is the brainchild of owner and head brewer Harley Goodacre. After years of working in breweries — in a wide range of roles from bottling hand to head brewer — Harley's hunger to own his very own brewery had gotten the better of him. Although he had very little capital and banks were unwilling to give him a loan, he made the impossible possible and accomplished his dream in 2012 with hand-crafted or repurposed tanks, salvaged equipment and scrap materials. From there, it was full steam ahead and All Inn is now known as one of Brisbane's foundation craft breweries.

All Inn embraces the commitment to the environment as well: their spent grain goes to local farmers for cattle feed, they reuse wastewater wherever possible during the brew process, and they run 60x280 watt solar panels.

Their full flavoured ales, lagers and everything in between are made with care and without trickery. Their beers are unpasteurised, unfiltered and finings free — which also makes most of the range vegan friendly.
